

Ref:21-002	Received: 5 January 2021	Issued:25 January 2021
------------	--------------------------	------------------------

The number and total value of overtime payments made within the board to staff in pay bands 8A and above since March 2020. Please also break down this data for each pay band?

There have been a total of eleven members of staff in pay bands 8A and above at a total value of £15,953.02. To break this information by band could potentially breach personal data; therefore I am applying section 38(1)(b) of FOISA.
