

- 1) Vaccine that been thrown away and what the name of the vaccine and why was it thrown away.
41 doses recorded as being disposed of due to being outwith 'cold chain' requirements and JCVI guidance for use.
- 2) How many people have declined it
NHS Dumfries and Galloway do not hold this data; therefore this request is refused under section 17 of FOISA
- 3) How much vaccine has been unused what was the reason for that.
No vaccine has been unused, all vaccine is allocated and used.
