

1. How many patients have been treated by your trust (for any medical condition) in the past 6 months with Bevacizumab? **8**

2. Please provide the number of patients treated in the past 6 months with Bevacizumab for the following conditions:

- Colorectal cancer **0**
- Breast cancer **0**
- Renal cell carcinoma **Not treated by NHS Dumfries & Galloway**
- Non-small cell lung cancer **0**
- Ovarian cancer (epithelial, fallopian tube or primary peritoneal) **<5 but with BEV/CIS/PAC**
- Carcinoma of the cervix **<5 Bevacizumab only, <5 NAB-PAC/BEV, <5 weekly PAC & BEV**

Less than five total replaces the actual data as this could potentially identify individuals and could breach data protection; therefore we are applying section 38(1)(b) of FOISA.
