

Registration of Interests

Board members of devolved public bodies are required by the Regulations to give the 'Standards Officer' notice of their interests. The Register must state:

the name of the board member;

their interests which fall within the categories listed below and as set out in the member's code of conduct; and

if they have nothing to register they must record that fact under each applicable category.

It is the responsibility of each board member to ensure that their entry in the register is kept up to date. Any changes to the information first registered, must be given in writing to the standards officer, in the prescribed format, within one month of the change arising.

The 'Standards Officer' (Corporate Business Manager) will keep the register of interests available for public inspection on the Board's external website and at the Board's offices during normal working hours. The register can be viewed without charge.
